About the Course

Comprehensive Education

While many courses for learning implant dentistry are available, few are as comprehensive in scope and provide **ALL SURGICAL SUPPLIES!** Alabama Implant Education is committed to providing a quality education with university-based lecturers. Our goal is to effectively train dentists in the appropriate use of dental implants, so that patients may be well served with this state-of-the-art technology.

This course will be taught using distance learning, group sessions, invited speakers, and intensive educational experiences including hands-on **LIVE SURGERY with patient provided.**

Instructional Session 1

1-Basics

Treatment planning, medical evaluation, cone beam CT analysis

2-Socket Grafting

Socket grafting, basic site development, biology of wound healing, osseointegration

3-Mandibles

Treating the edentulous mandible, overdenture protocols, managing postoperative pain

4-Complications

Complications and medical emergencies, advanced wound closure

5-Maxillae

Treating the edentulous maxillae, implant placement and restorations, bone density, effective treatment plans

6-Ridge Width

Grafting materials, techniques for site development, block graft overview, titanium mesh and membranes

7-Sinus Grafting

Sinus anatomy and biology, augmentation techniques, intra-osseous sinus lift procedures

8-CBCT Surgery

Using CBCT for guided implant placement, flapless surgical protocols, milled abutments

- Hands-on Lab: Implant placement
- Hands-on Lab: Suturing techniques
- Biomechanics

*AIE will make a diligent and reasonable effort to provide a patient for the surgical experience. In the event that elements beyond the control of AIE should occur, delegates will be provided with an alternative session for surgery, either in Alabama or in-office. AIE is not responsible for costs which might be incurred to participate in this Continuing Education event.

About the Instructors

Michael McCracken, DDS, Ph.D - Lecturer

Dr. McCracken currently serves as a Professor at The University of Alabama School of Dentistry. He received his dental degree from The University of North Carolina and completed a prosthodontic residency at The University of Alabama Birmingham. Also, he earned a Ph.D in Biomedical Engineering for research related to growth factors and healing of implants in compromised hosts. His past roles with the University include serving as Director of Pre-Doctoral Implant Education, Director of Graduate Prosthodontics and Director of the UAB Implant Training Program. Dr. McCracken lectures Nationally and Internationally on topics relating to implant dentistry and the restoration of complex dental patients. He is known for his ability to explain difficult concepts in a practical way, and for a realistic approach toward continuing education. He lectures in an entertaining and relaxed manner, and makes the topics useful and real.

Jonathan Paul Ouellette, DMD, AEGD - Lecturer

Dr. Ouellette is a dedicated, motivated, adaptable and highly responsible dentist seeking an associate position in private practice which will utilize his surgical skill and patient care developed through his advanced training in surgical implant dentistry and IV conscious sedation training. Also, he is a general dentist at The Dental Specialists (2013-Present), the chief resident at the Foundry Dental Center in Bessemer, AL where he works with Dr. McCracken. He is currently a resident at The University of Florida AEGD (2011-2013)

PLEASE NO RECORDING IN LECTURE ROOMS AND TURN MOBILE DEVICES OFF

NONREFUNDABLE AIRLINE TICKET, FLIGHT CHANGE, OR HOTEL RESERVATION: Alabama Implant Education, LLC. cannot be held responsible for the cost of a nonrefundable airline ticket, flight change or hotel room reservation in the event this program is cancelled or rescheduled.

Continuing Education Credit: Continuing Education Credit awarded for participation in this program may not apply toward license renewal in all states. It is the responsibility of each participant to verify the requirements of his or her state licensing board.
